Showers & Health Faucets

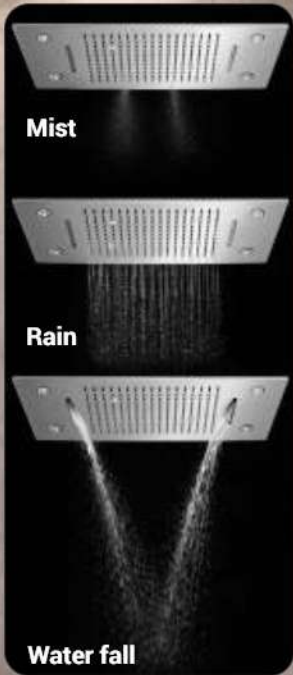

Experience the perfect blend of relaxation and innovation...

Ceiling Shower Functions

- Mist Function (M) Ultra-fine water particles Creates cooling and refreshing effect Perfect for summer or quick freshen-up
- Rain Shower (R) Dense, evenly distributed water flow covers full body like natural rainfall Ideal for relaxing, spa-like experience
- Dual Waterfall (2W) Two linear outlets for strong water streams

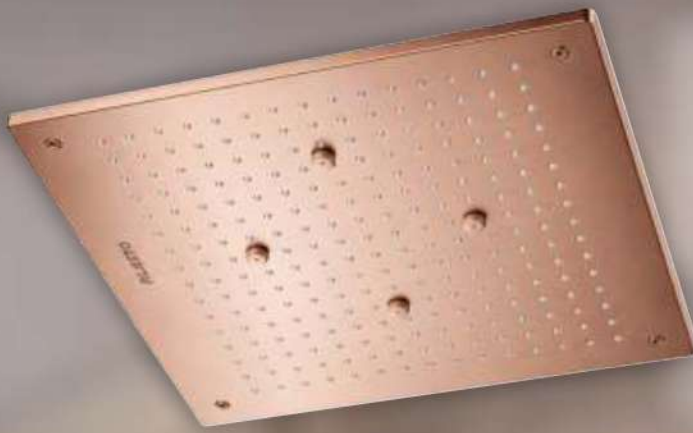

Provides pressure-based massage effect helps in shoulder and back relaxation
